

↑ VG → PG

**Change of original VG with gamma  $g_P=0,475$**

| File     | graphic | ISO step           | gamma $g_P$ |
|----------|---------|--------------------|-------------|
| AEB80-2N | PG      | $C_{YP1}=C_{YN15}$ | 0,475       |

*Application: Low luminance contrast of projectors:*

$Y_W : Y_N = 90 : 40 = 2,15 : 1$  according to ISO 9241-306.
