

Evaluation of (mark only one of three possibilities):

○ relative blackness n^* and relative whiteness w^*

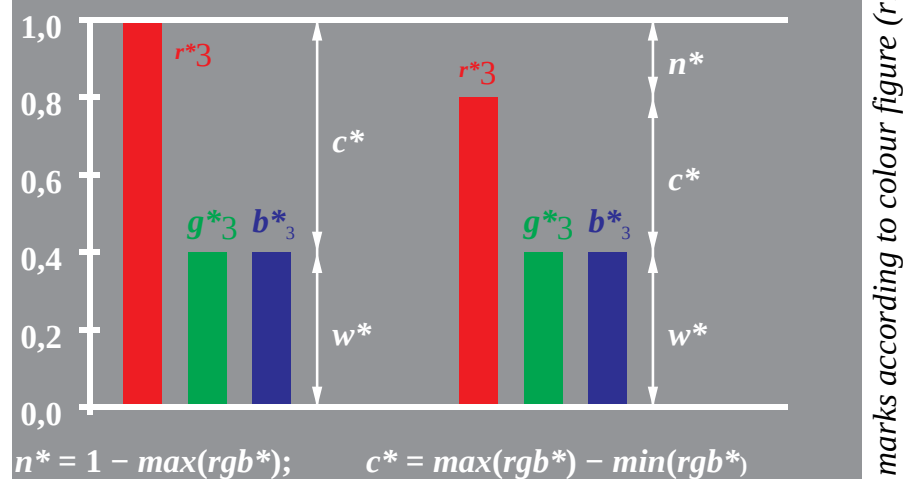

○ relative blackness n^* and relative chroma c^*

○ relative whiteness w^* and relative chroma c^*

⊗ example mark

Ostwald equation: $n^* + w^* + c^* = 1$

Elementary hue Red R: linear
relation $lab^*_{rgb^*} - lab^*_{ncw^*}$

Elementary and intermediate hue text u^*
according to CIE R1-47:2009
