

$$H^*_- = B75R_-$$

A diagram of a hexagonal lattice with two axes labeled a^*a and b^*a . The lattice points are marked with colored dots: a green dot at the top-left, a yellow dot at the top, a red dot at the top-right, a pink dot at the right, a magenta dot at the bottom-right, a blue dot at the bottom, and a cyan dot at the bottom-left. A pink arrow points from the origin towards the right.
